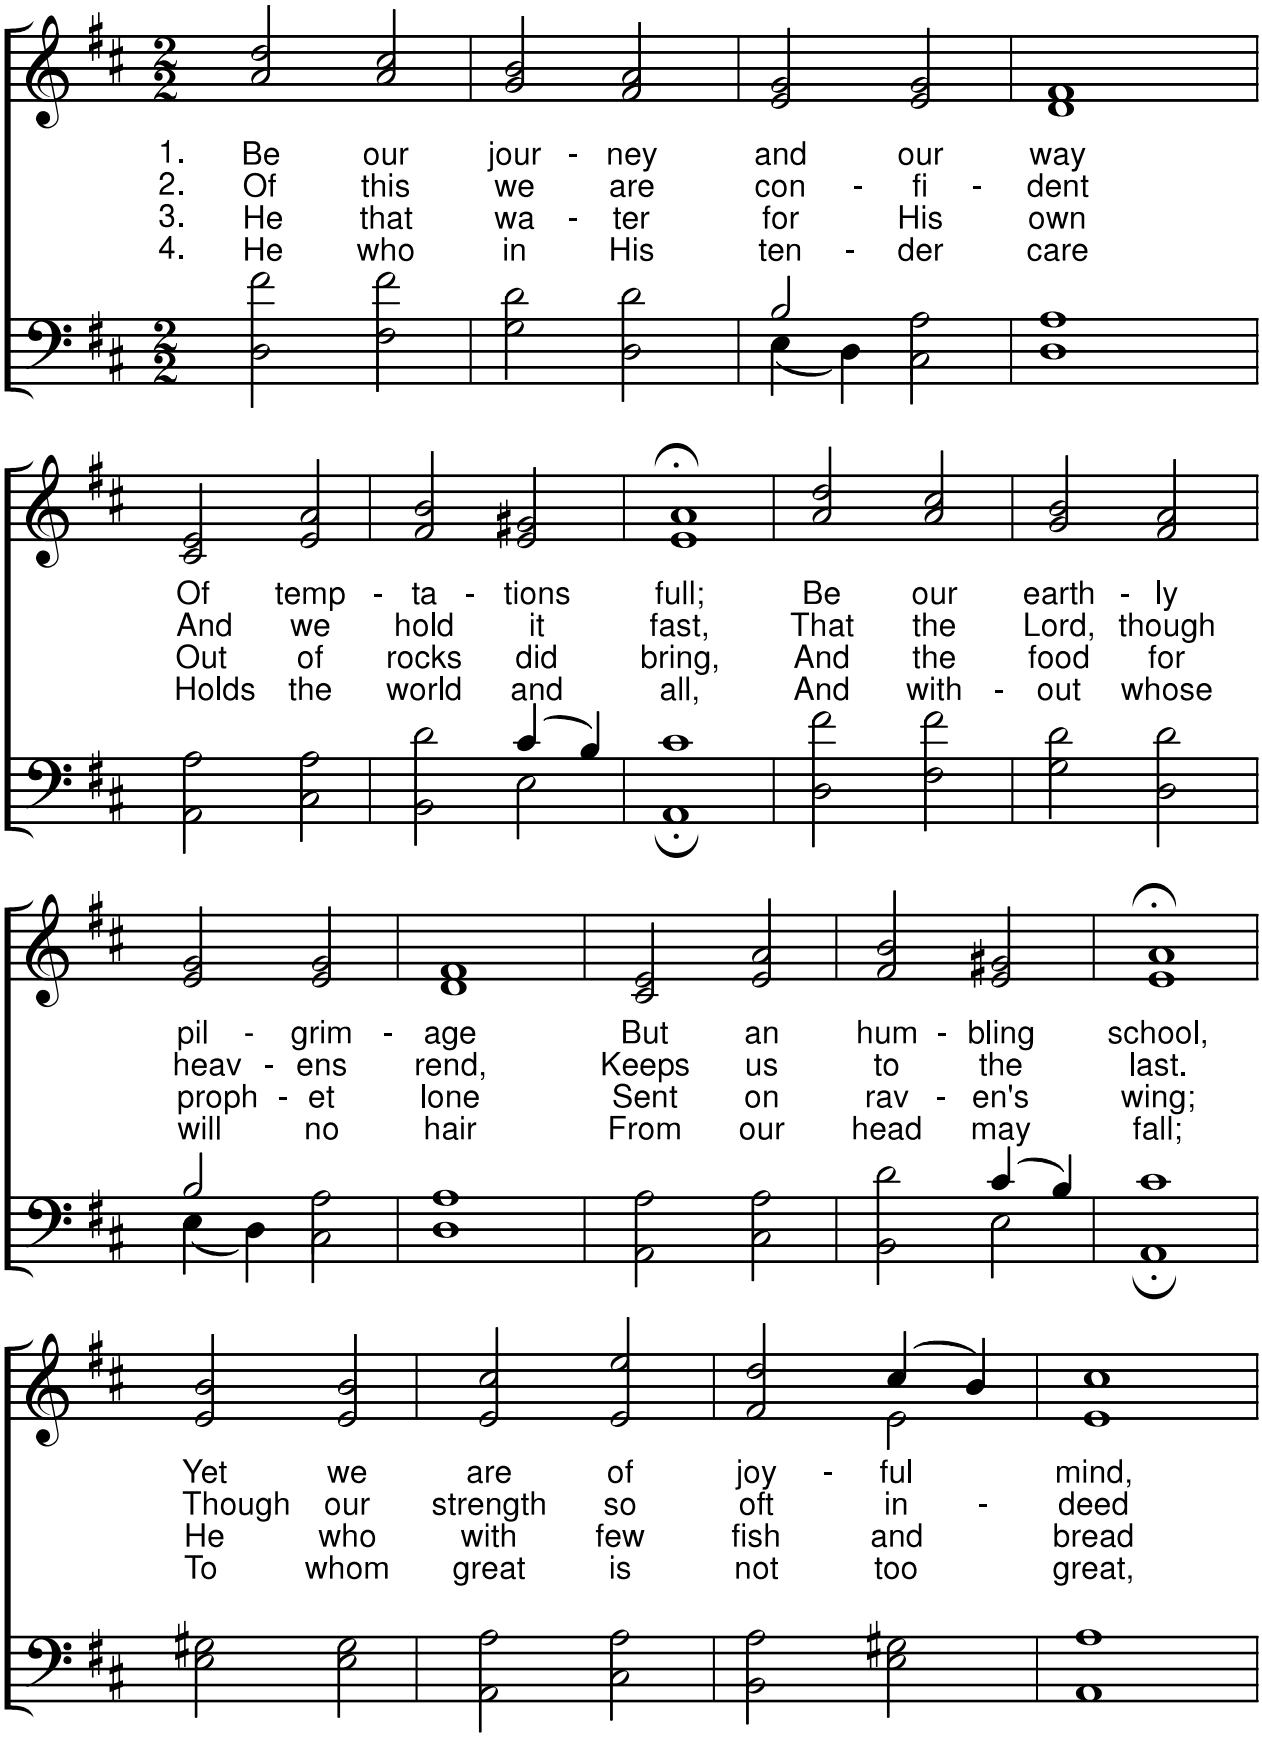
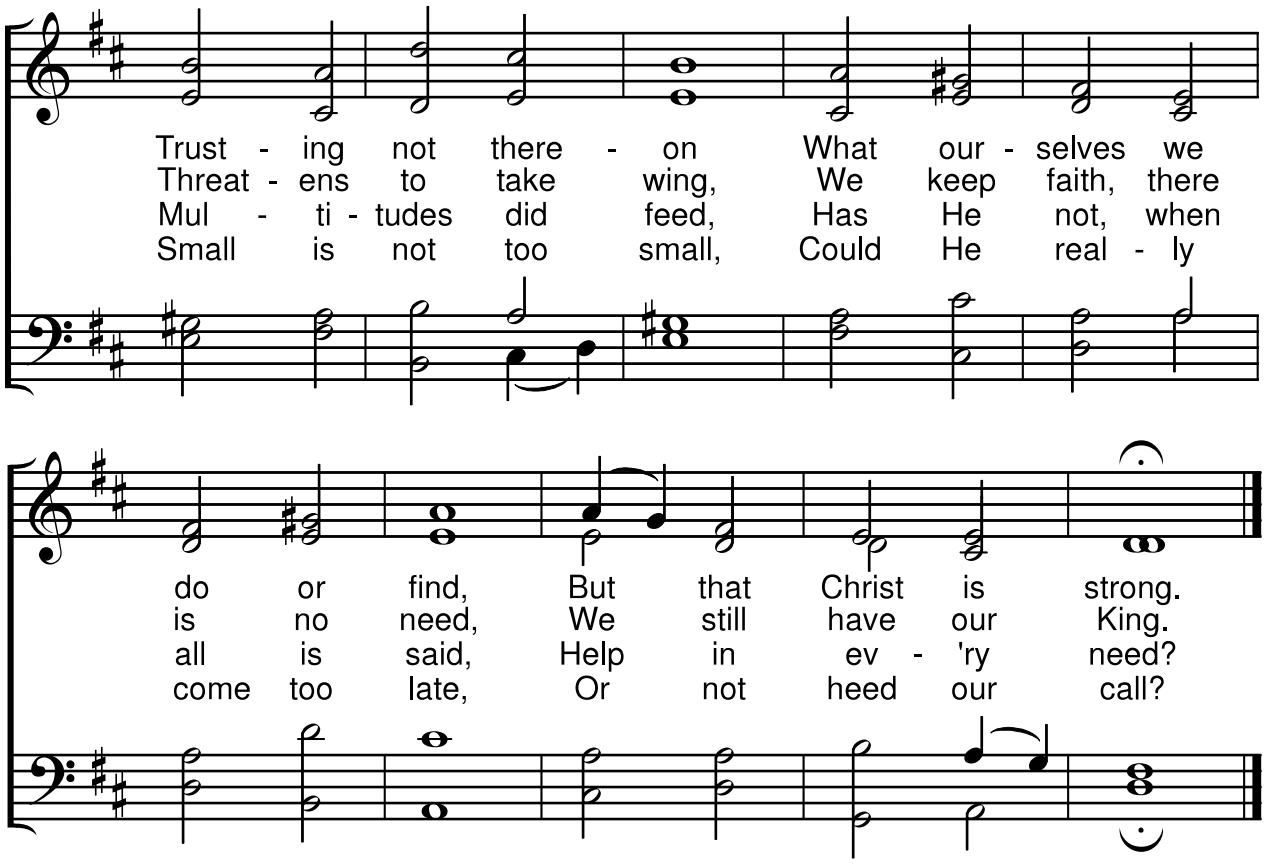
88. OUR PILGRIM WAY





5. He that opened heavens, hath
Out of such great love,
For us plainly marked the path
To the realms above;
He who keeps that home prepared,
Would He e'er allow
Those for whom He surely cared
All to perish now?

6. Nay, that shall not be our lot,
God is ever kind;
Keeps His promise, breaks it not,
Comforts heart and mind.
Though you may see trouble nigh --
Pilgrim, do not fear,
Look in faith to God on high
For your help is near!
